

# Reeds and Roots

To Whom It May Concern,

**REEDS & ROOTS SKILLSHARE** is an all-volunteer run labor of love, working to organize our first ever earthskills gathering in northeast Ohio! We invite you to **please consider sponsoring the event or making a tax deductible donation to aid our efforts**. Any contribution you make will help make this an annual gathering!

The event will take place this summer, **August 18<sup>th</sup> - 19<sup>th</sup>, 2018, at Camp Whitewood** in Windsor, Ohio. We are inviting teachers with a variety of expertise and backgrounds to put on workshops sharing the skills and talents of our region that promote a sustainable, earth-friendly lifestyle while preserving the knowledge of generations past. Workshop topics may include food preservation and gardening, wilderness survival skills, alternative technologies, wild edible and medicinal plants and mushrooms, natural building techniques, crafting, children's workshops, activities, entertainment and so much more! We aim to build community connections while sharing skills vital to our sustained human and economic health. We have a skilled volunteer organizing body, and though this is our first year, we are working to make this an annual event.

We would like to form a symbiotic relationship with you: **we help you** by publicizing your business's contribution, and **you help us** by supporting our budget. We expect between 200 and 300 participants at this event -- already, we have over 500 enthusiasts following our website, emails, and Facebook. We hope you consider supporting this wonderful educational opportunity that will help strengthen the health and vitality of our community! Please see [reverse side/below](#) for sponsorship levels.

Donations or sponsorships can be made on our website: [www.ReedsandRoots.org](http://www.ReedsandRoots.org)
