

To Whom It May Concern,

REEDS & ROOTS SKILLSHARE is an all-volunteer run labor of love, working to organize our third earthskills gathering in northeast Ohio! We invite you to **please consider sponsoring the event or making a tax deductible donation to aid our efforts**. Any contribution you make will help make this an accessible gathering.

The skillshare will take place this summer, **August 27-30, 2020, at Camp Roosevelt Firebird** on beautiful remote Leesville Lake. We are inviting new and returning teachers with a variety of expertise and backgrounds to put on workshops. They will share the skills and talents of our region for a sustainable, earth-friendly lifestyle while preserving the knowledge of generations past.

Workshop topics include wild edible and medicinal plants and mushrooms, natural building techniques, food preservation and gardening, wilderness survival skills, alternative technologies, social justice topics, fiber arts, children's workshops, activities, entertainment and so much more! We aim to build community connections while sharing skills vital to our sustained human and economic health.

We expect 250 participants at this event. We have over 800 enthusiasts following our website, emails, and Facebook. We hope you consider supporting this wonderful educational opportunity that will help strengthen the health and vitality of our community! Please see reverse side/below for sponsorship levels.

Donations or sponsorships can be made on our website: www.ReedsandRoots.org
